

GOVERNANCE BELGE EN MATIÈRE DE CLIMAT

UCLouvain
SAINT-LOUIS BRUXELLES

28 SEPTEMBRE 2018

Bld du Jardin Botanique, 43

BRUXELLES

Salle des examens (2^e étage)

PROGRAMME

> SÉMINAIRE #3

NOUVEAUX CADRES DE GOUVERNANCE, PARTICIPATION ET (RE)DYNAMISATION DES PROCESSUS DE DÉCISION

13:00 ACCUEIL & LUNCH

13:45 INTRODUCTION

« **La gouvernance du climat en Belgique, entre cadrage international et revendication citoyenne** »

par Delphine Misonne (USLB)

SESSION 1 : Nouveaux cadres de gouvernance

14:00

« **The new EU Framework on Climate and Energy: overall picture** »

par Sébastien Oberthür (VUB)

14:15

« **The new Regulation on the Governance of the Energy Union** »

par Etienne Hannon (SPF SPSCAE, Service Changements climatiques)

Discussion

- ▶ *Based on the recent developments of EU law, how shall domestic governance and legislation be streamlined in the future in relation to climate change?*
- ▶ *Are new types of plans being required? Does the EU legislator impose new binding targets to Belgium? Does he enlarge the mix of instruments (by comparison with the current one)?*
- ▶ *Does the Regulation on the Governance of the Energy Union and its 'integrated national energy and climate plans' require a radically new approach to planning (adoption, implementation, follow-up) in Belgium?*

15:30 Café

SESSION 2 : Participation et (re)dynamisation des processus de décision

15:45

« **La participation citoyenne et les fondamentaux de la Convention d'Aarhus appliqués à la question climatique** »

par X (tbc)

16:00

Deux témoignages sur la participation citoyenne :

« **NGO participation and EU climate governance** »

de Wendel Trio (CAN)

« **Redynamisation de la participation citoyenne - Nouveaux outils, bilan et prospective** »

de Benoît Derenne (FGF)

Discussion

- ▶ *How does the large public participate today to 'Climate Governance', both at EU level and domestic level? Is this participation at odds/in compliance with the requirements of the Aarhus Convention?*
- ▶ *What can we learn from the new dynamics emerging in civil society in order to push the efforts on mitigation and adaptation forward? Is there a need for new types of institutions, in relation to public participation?*

17:25 Conclusion

17:30 Fin du séminaire
